Sambal Hellyeah

Weight (Serving) 170g 200g Shelf Life 8-9mo

It all started from a family kitchen with a family recipes. Sambal is a very common condiment food in Indonesia made from fresh chili. And yes, just like many Indonesian typical family, the Sambal is always on our dining table almost everyday. We love spicy food. Hellyeah Sambal was established in 2011 by a foodie family in Bandung. We made our Sambal with fresh bird's eye type chili from Java land and mixed it with some other Indonesian spices, so you can taste another rich flavor beside the fiery hot taste.

 Shelf Life 12 mo

Dr. Erny started her business in 2000 by opening a 24-hour clinic, which expanded to an inpatient clinic. Dr. Erny used herbs for treatment, supported by adequate facilities, including hundreds of herbal plants originating from her organic garden, as a complementary medium to help her patients heal. In 2006, she started to make herbal tea intended for patients who came, which proved helpful in healing patients. Since then, she has produced herbal tea for her patients and therapist from the country and abroad. In 2018, this herbal tea has then widely marketed nationally and internationally.
